PRINCIPAL'S MESSAGE

At Jain Public School, we strive to create a learning environment where students think scientifically, approach life with curiosity, and experience impactful learning. We are dedicated to fostering just practices, upholding democratic values, and preparing our students to be responsible global citizens.

To support this vision, our monthly digital newsletter, "Jainite Echoes", has been showcasing our progress and achievements for the past two years. It connects you with the remarkable journey of our students and highlights their growth within our school community. We appreciate your ongoing support and look forward to sharing more inspiring stories through Jainite Echoes.

SCHOOL EVENTS

Teacher Training Workshop

On May 16th, 2024, Fathima Asghar, a parent consultant and life skills trainer, led an engaging workshop in the school auditorium. The session featured interactive activities such as a magic wand exercise, group discussions, and a memory game. These activities helped teachers improve their classroom management skills and mindfulness techniques, providing them with valuable tools to support academic excellence.

Programme on Mental Health Awareness

On May 17th, 2024, we organized a Mental Health Awareness Program for teachers, featuring international motivational speaker Seema Vikas Gadiya. The session tackled topics such as anger, stress, and depression, providing solutions and encouraging a balanced lifestyle. The event included engaging activities, icebreaker games, and talent displays, which contributed to its effectiveness and garnered positive feedback from all participants.

SCHOOLEVENTS

School Re-Opening

On May 30th, 2024, the school marked its reopening with a special event dedicated to setting positive intentions for the new academic year. The session covered key topics such as enhancing student engagement, goal setting, and fostering a supportive learning environment.

Academic Achievements

The poster features a central circular portrait of a male student, G. Thanoj Kumar, with a gold border. Below it, his name and overall score of 92% are listed. At the bottom, there are three smaller circular portraits of students: Daanish Imran Khan (Science 95%), Ruhab Afza Khan (Social Science 91%), and Sankalp Bafna (English 90%). The background is a light beige with a faint geometric pattern. The top left corner has the JGI logo, and the top right corner has the Jain Public School logo with the tagline 'Enlightening Young Minds' and 'CBSE Aff. No. 830991'.

CO-CURRICULAR ACTIVITIES

Action Song - Grade 1

"On June 21st, 2024, an event was conducted titled 'Action Song'; where students mimic the lyrics of the song via non-verbal actions or gestures.

Poem Recitation - Grade 2

"On June 18th, 2024, we held a poem recitation event where students read poems aloud and expressed their feelings through their performances. It was a great way to see their creativity and love for poetry.

CO-CURRICULAR ACTIVITIES-CCA

Show & Tell - Grade 3

"On 24th June, 2024, "Show and Tell" competition was conducted where students shared stories about their favorite items. It was a fun way for them to build confidence and practice public speaking.

Debate - Grade 5

"On 24th June, 2024, "Debate" competition was held where students passionately argued different viewpoints on various topics. It was a great opportunity for them to develop their public speaking and critical thinking skills.

CO-CURRICULAR ACTIVITIES-CCA

Group Discussion - Grade 4

"On June 18th, 2024, Grade 4 students engaged in a lively group discussion on "Whether having a superpower would be nice or not." They shared their ideas and opinions, exploring both the exciting possibilities and potential challenges of superpowers.

Group Discussion - Grade 6 and 7

On June 20th, 2024, we held a Group Discussion event as part of the CCA for students, focusing on important community topics to foster critical thinking, collaboration, and communication skills. This event provided a platform for students to share their views, learn from various perspectives, and suggest constructive solutions.

CO-CURRICULAR ACTIVITIES-CCA

Group Discussion on - Grade 8-10

"On June 21st, 2024, "Group discussions" was conducted for student of Grade 8 to 10. It is crucial for developing critical thinking and effective communication skills while encouraging collaboration and diverse viewpoints. The discussion focused on the impact of junk foods in school, evaluating their nutritional, preference-related, and academic effects.

CO-CURRICULAR ACTIVITIES-CCA

Fancy Dress - Grade 1

On July 19th, 2024, a Fancy Dress Competition was held for Grade 1 students, where they showcased traditional and folk attire. This event allowed the young learners to explore cultural heritage and celebrate diversity through creative expression.

Fancy Dress - Grade 2

On July 30th 2024, Grade 2 students participated in a Fancy Dress Competition themed around trending issues. The event encouraged them to creatively address contemporary topics while promoting awareness and thoughtful discussion.

CO-CURRICULAR ACTIVITIES -CCA

Role Playing - Grade 3

On July 29th 2024, Grade 3 students took part in a Role Playing activity, where they enacted various scenarios to enhance their understanding of different perspectives and improve their communication skills.

Puppetry - Grade 4&5

On July 30th and 31st 2024, Grades 4 and 5 came together for a captivating Puppetry session. This joint activity allowed the students to bring stories to life through creative puppet performances, fostering teamwork and imaginative expression.

CO-CURRICULAR ACTIVITIES-CCA

MODEL UNITED NATIONS (MUN) - Grade 6-10

On July 11th, 2024, our school's CCA event for Model United Nations focused on the important topic of Women Empowerment, aimed at grades 6-7. This session empowered students to explore the significance of gender equality, examining ways to support and uplift women and girls in various contexts. Participants engaged in discussions to deepen their understanding of global challenges related to women's rights, fostering collaborative problem-solving and promoting awareness of the importance of gender equity and inclusivity.

EXTRA-CURRICULAR ACTIVITIES-CLUB

DRAMA CLUB

The drama club is vital in schools as it helps students build confidence, improve communication, and develop teamwork skills. Through creative expression and performance, students enhance their critical thinking and problem-solving abilities. Additionally, the supportive environment of the drama club fosters a sense of community and belonging, enriching their overall educational experience.

LITERATURE CLUB

A literature club is crucial in schools because it cultivates a love for reading and critical thinking. By discussing diverse texts, students enhance their analytical skills and broaden their perspectives. The collaborative environment fosters meaningful dialogue and helps students develop effective communication skills. Additionally, the literature club creates a sense of community and encourages intellectual curiosity, enriching the overall educational experience.

ASTRONOMY CLUB

An astronomy club is important in schools as it inspires curiosity about the universe and promotes scientific inquiry. By exploring celestial phenomena, students enhance their understanding of science and critical thinking skills. The club provides hands-on learning opportunities through stargazing and telescope use, fostering a sense of wonder and exploration. Additionally, it creates a community of like-minded individuals, encouraging collaboration and a shared passion for discovering the cosmos.

MATH CLUB

A Math club is a chance for everybody (not just the highest or lowest attainers) to have fun with maths in an entirely non-judgemental, and ideally relatively free flowing environment. It can happen at any time of day outside timetabled lessons

ECO-CLUB

Joining an eco club at school is a great way to make a positive impact on the environment while working with others who care about sustainability. It offers hands-on projects, like organizing clean-up events or starting recycling programs, and opportunities to learn about important environmental issues. Being part of an eco club helps build teamwork skills and fosters a sense of responsibility for protecting our planet.

PARENT-TEACHER ASSOCIATION- 2024

On June 29th, 2024, we held our first Parent-Teacher Association (PTA) event, emphasizing the crucial partnership between educators and parents. This inaugural gathering facilitated discussions on curriculum updates, student progress, and ways to enhance the educational experience. The PTA fosters a supportive environment that strengthens our school community, ensuring collaborative efforts to support the holistic growth and well-being of every student.

STUDENT LEADERSHIP AND PARTICIPATION

ELECTIONS

On June 19th and 24th 2024, the first and second rounds of elections were held to assign leaders for the houses of Palomo, Marengo, Copenhagen, and Eclipse.

INVESTITURE CEREMONY

On the 13th of July, 2024, The Investiture Ceremony at Jain Public School unveiled a new leadership role this year. Students were assigned to the esteemed houses of Palomo, Marengo, Copenhagen, and Eclipse, each fostering a spirit of excellence and teamwork.

Blissful Buddha Mandala
By, Adithi P.A 4c

“

"Learning harmony is like tuning an instrument; it requires patience, practice, and the willingness to listen deeply to both the notes you play and the silence between them."

“

“

"Knowledge is not just the accumulation of facts but the illumination of the mind; it transforms the darkness of ignorance into the light of understanding."
